Please note that this event will be combat and plot heavy and will be centred on resolving current Éoréd plot. We are happy to consider incorporating plot for other groups if provided to us in advance, and on the condition it does not unbalance the event. If you fancy coming to monster, or you wish to play but not as your current character, please let us know so we can help you come up with an alternative, or offer you an NPC/Monster role.

Rules and Regulations

- The organisers or any person so appointed by the organisers cannot be held responsible or liable for any injury or damage to any individual participating in the event
